Tame the Great Outdoors™

Power Trackbarrow
with Hydraulic Assist

YARDMAX

MAX Performance. MAX Value. MAX Support.

Power Trackbarrow with Hydraulic Assist

Delivers unmatched stability, traction, and control — easily and safely transporting up to 1,100 lbs through tightspaces and across jobsites.

FEATURES & BENEFITS

- Hydraulic assist easily controls the dumping of materials where you want them.
- Powered by Briggs and Stratton 900 Series engine.
- Tracks offer all-terrain traction and stability across uneven, muddy and wet ground.
- Multi-speed heavy-duty transmission (3 Forward speeds plus Reverse) allows material to be moved quicker reducing labor hours.
- Turn on a dime with zero turn radius and narrow footprint allows it fit in tight spaces.
- Evenly balanced to maximize control and prevent tipping.
- 2-position throttle control ensures an instant stop with release of the drive handle.

SPECIFICATIONS
