

5.0 cu ft Concrete Mixer

MAX Performance. MAX Value. MAX Support.

Mix Master

Even with a 5.0 cubic foot capacity, this mixer is easy to assemble, clean, pour, and maneuver – delivering rugged performance in any kind of weather.

FEATURES & BENEFITS

- Easier to clean and use with solid steel drums and IP45 washdown certified electric motor and gear box.
- Powered by factory assembled electric motor for easy installation.
- One-person assembly in under 30 minutes.
- YARDMAX exclusive safety guard encloses the ring and pinion gear to protect operators.
- Steel spring-loaded handle with steel ring is easy to operate and lock into place, ensuring the drum stays where you need it.
- Low-profile height is ideal for pouring into forms, wheelbarrows and moving around a job site.
