Tame the Great Outdoors™

Power Sweeper

YARDMAX

MAX Performance. MAX Value. MAX Support.

Power Sweeper

Versatile and efficient, conveniently cleans and clears debris from hard to reach or open spaces all year round.

FEATURES & BENEFITS

- Specially-developed nylon brushes easily clear snow up to 6" deep along with other debris like sand, dirt and gravel from sidewalks, driveways, or decorative surfaces like patio bricks.
- 28" sweeping width / 14" diameter for high-capacity sweeping – reaching all the way to the ground.
- Adjustable brush with three sweeping directions clears debris once, putting it in the most convenient place without having to move it again.
- Dust collection bucket optional for parking lot and yard clean up – easily picks up and collects small items.
- Advanced handlebar design is height-adjustable, ergonomic, and easy to fold for storage — delivers the best user experience in all types of weather and conditions.
